

Is seeking new members for its Board of Directors (2 year terms – max of 6 years)

This volunteer Board made up of seven (7) Directors meets one evening per month during the school year and holds an annual general meeting each spring. The mandate of the Board of Directors is to monitor financial performance, participate in strategic planning for the future and ensure quality care in safe environments for twenty (20) licensed child care centres, as overseen by the Manager of Early Learning Services. Therefore individuals with financial and / or strategic planning backgrounds relating to the child care sector would be highly desirable.

About Us

The Ottawa Catholic Child Care Corporation (OCCCC) is a non-profit organization offering non-denominational child care programs for children aged 18 months to 12 years.

We operate 20 licensed child care sites throughout the Ottawa area. Our centres are all located in schools operated by the Ottawa Catholic School Board.

Our Approach

Our goal is to provide relaxed, recreational and educational programs in a child-centred environment, where children can safely learn through play. This philosophy is guided by Conscious Discipline™, an approach which encourages the educators working with the child(ren) to consciously respond to daily conflict, transforming it into an opportunity to teach critical life skills to children.

We also believe in teaching children about the community and their role in it. That's why all of our centres include a Community Helper component in their program.

Throughout the year, children in all of our centres participate in service projects to assist their local community. Helping others is the central theme of the activities but they can also include appreciation events for those in the community who have affected the lives of children.

Please forward resumes by 5:00 p.m. October 25, 2019 to:
